

Speaker Highlights

Explore the Speaker Highlights from the 13th World Congress Of The World Society Of Pediatric Infectious Diseases

Distinguished pediatricians, respected researchers, and forward-thinking experts are ready to provide updates and delve deep into the realm of pediatric infectious diseases. Immerse yourself in captivating discussions which will happen at #WSPID2023 in Durban!

The graphic features a circular portrait of Maha Mansour, a woman wearing a yellow hijab and a white lab coat, smiling. The background is a vibrant orange with various white and yellow geometric patterns, including circles and DNA helixes. In the top right corner, there is a logo for the World Society for Pediatric Infectious Diseases (WSPID) and the text: "13TH WORLD CONGRESS OF THE WORLD SOCIETY FOR PEDIATRIC INFECTIOUS DISEASES" and "DURBAN, SOUTH AFRICA | 14-17 November 2023". Below the portrait, the name "MAHA MANSOUR" is written in large, bold, black capital letters, followed by "EGYPT" in a smaller font. The hashtag "#WSPID2023" is located in the bottom right corner. A decorative border with a repeating geometric pattern runs along the bottom edge of the graphic.
