

WSPID Research Workshop

Conducting and Presenting your Pediatric Infectious Diseases ResearchYour feedback is important to us in order to improve the quality of the workshop. We would much appreciate it if you take a few minutes after the workshop sessions and answer the questions in the evaluation forms below. We thank you in advance!

Research Workshop – Evaluation ([click here](#))

GENERAL

The World Society for Pediatric Infectious Diseases (WSPID) will be hosting a Research Workshop on 14 November 2023 from 07:00-15:00, prior to the start of the main WSPID Congress. The workshop will be conducted in English.

The workshop will consist of two components:

1. **Short practical lectures by leading researchers** on aspects of research, with a focus on pediatric infectious diseases.
2. **Oral presentations by 4 selected Research Workshop Presenters.**

AIMS

- To assist early career researchers with the design, conduct, and presentation of pediatric infectious disease research in resource-challenged and resource-advantaged settings.
- To facilitate interaction between early career and established researchers in an informal, collegial setting.

PARTICIPANTS

- Participants will be selected among the applicants to attend the Research Workshop. These selected participants will have their 2023 WSPID Congress registration fee waived.
- 4 applicants will be invited to participate in the workshop as oral Research Workshop Presenters:
 - These four presenters will be assigned one or more mentors from the WSPID Education Committee/WSPID Research Workshop Faculty, who will assist with developing their presentation prior to the Workshop.
 - Each of these selected Research Workshop Presenters will deliver a 10-minute oral presentation of their WSPID 2023 submitted abstract to the audience of the Research Workshop participants and faculty.
 - Research Workshop participants and the faculty will offer constructive comments and suggestions following each presentation.
 - In addition, to subsidizing the 2023 WSPID Congress registration fee, these four presenters will receive reimbursement to subsidize travel and accommodations associated with the 2023 WSPID Congress; the total support for WSPID 2023 attendance and participation will be determined by the Congress organizers.
- Subsidized Research Workshop participants/presenters who do not attend or who do not fulfill requirements of preparation and presentation will be asked to reimburse the WSPID subsidies in full.

HOW TO APPLY

- Complete the Application Form and upload it during

abstract submission.

- Submit your Abstract via the Congress website and indicate that you want to be considered for the WSPID Research Workshop.
- Incomplete applications will not be considered.□
